Life Changing Slot Jackpot Exceeds \$1 Million Mark for First Time Record Breaker Is Still Up for Grabs at Westchester's Empire City Casino

Yonkers, New York – A jackpot on the popular Wheel of Fortune Triple Stars slot machine at Empire City Casino has ballooned past the \$1 million mark and is still up for grabs, though perhaps not for long.

Cherie Czerniowski, who oversees slot operations at Empire City, announced that when it hits, it will be the largest jackpot ever to be won at the casino and, she stressed that it can only be won in Yonkers.

"This is not a wide area progressive as seen at most properties," said Czerniowski. "This jackpot can only be hit here at Empire City."

The jackpot has guests coming from near and far to try their luck, particularly with several recent record-breaking scores at the Westchester casino. **Manuel Esteche** of **Port Chester** hit for **\$571,000** in February, breaking the previous record jackpot of **\$509,000** won in November by **Moosue Stefern** of **Bergenfield, New Jersey**. **Ella** of **Brooklyn** won the third largest jackpot in Empire City's history with a **\$222,459** score in February.

There's no shortage of six-figure jackpots for patrons of Empire City. Seven others are up for grabs, in addition to the million dollar slot, including: **\$226,213** Betty Boop's Love Meter; **\$188,728** Wheel of Fortune Triple Stars; **\$186,934** Blazing 7's Hot Shot Progressive Stacked; **\$161,562** Wheel of Fortune Big Money; **\$135,022** Blazing 7's Hot Shot Progressive Wide Area; **\$131,194** Fireball; **\$127,690** Fireball.

"There are plenty of jackpots to go around at Empire City, with dozens over \$50,000 and hundreds over \$10,000," added Czerniowski. "But the million dollar jackpot will be a true life-changer."
