***It's Going to Be a Life-Changer!***

**Suspense...And Record Jackpot - \$1,087,845 - Continue To Build At Empire City Casino**

**\$1 Million Score Can Only Be Hit at Empire City; Will Break Previous Mark by Half Million Dollars**

**Yonkers, New York** - The suspense continues to build at **Empire City Casino** in Yonkers, as does what will be a record-breaking jackpot on the popular **Wheel of Fortune Triple Stars** slot machine which now stands at **\$1,087,845**. The life-changing potential score ballooned past the \$1 million mark for the first time on April 15, and guests are coming to the Westchester casino from far and wide to try their luck.

Who knows when the record jackpot will be hit, but what's definite is that it will exceed the previous mark by more than a half million dollars. **Manuel Esteche** of **Port Chester** hit for **\$571,000** in February, breaking the previous record jackpot of **\$509,000** won in November 2014 by **Moosue Stefern** of **Bergenfield, New Jersey**.

**Cherie Czerniowski**, who oversees slot operations at Empire City, reminds players that this specific \$1 million-plus jackpot can only be hit at the Yonkers casino.

*"This is not a wide area progressive with slots machines linked between various casinos, as seen at most properties," said Czerniowski. "This jackpot can only be hit here at Empire City."*

And there's still no shortage of six-figure jackpots for patrons of Empire City. Seven others are up for grabs, in addition to the million dollar slot, including: **\$235,262** Betty Boop's Love Meter; **\$221,675** Wheel of Fortune Triple Stars; **\$192,484** Blazing 7's Hot Shot Progressive Stacked; **\$163,077** Wheel of Fortune Big Money; **\$159,339** Blazing 7's Hot Shot Progressive Wide Area; **\$132,153** Fireball; **\$128,476** Fireball.

*"There are plenty of jackpots to go around at Empire City, with dozens over \$50,000 and hundreds over \$10,000," added Czerniowski. "But the million dollar jackpot will be a true life-changer."*
