Namesake Slots for Queen of Country, Dolly Parton, Unveiled at Empire City Casino as Worldwide Tour Launches to Promote Newest Album ‘Blue Smoke’

Westchester, NY – For those who didn’t get to see the worldwide phenom and Queen of Country, Dolly Parton, at her one and only New York performance in Rockefeller Center Tuesday morning or haven’t scored tickets to her international tour that launches May 22nd to promote her newest album “Blue Smoke”, your luck hasn’t run dry just yet.

Empire City Casino announced the arrival of twenty-two Dolly Parton slot machines, along with some incredible promotions that allow gamers to win autographed photographs of country music’s wealthiest woman, up to \$1,000 in a Hot Seat Cash Drawing, or a grand prize trip for two to Nashville and an autographed Dolly Parton Guitar, which is on display at Empire City Casino for viewing and photo opportunities.

Fans will recognize the name of the new spinning reel style machines at Empire City, **9 to 5**, as one of the titles of Parton’s most famous hit songs. The slots, created by global gaming technology innovator, IGT (NYSE: IGT), target fans of Parton’s music in an overt way - - Dolly’s voice and music are a constant presence as the reels spin. Players can choose from ten different classic Dolly Parton tracks to listen to while they play. IGT says the game is ideal as a penny-ante machine, where the top prize is \$3,000.

Dolly worked with IGT to create slot machines that allow fans of the county music icon to get up close and personal through a series of new slots. Country music and gaming fans alike will not be disappointed with a visit to Empire City Casino to experience the new **9 to 5** slots with innovative and unique bonus features and live concert clips, getting a front row seat to one of the biggest performers of all time.
