**“Let Luck Be A Lady Tonight”: Trio of Ladies Hit \$100,000+ Jackpots at Empire City Casino**

**June 11, 2013** - —"Let Luck be a lady tonight; never let her out of your sight," crooned Frank Sinatra in one of his hit classics. And June has slot-players at Empire City Casino singing that happy tune with a trio of lucky ladies hitting jackpots worth \$100,000 and up.

The most recent was on Sunday, June 9, when a \$5 play on a nickel spin on Bally's Hot Shot Progressive slot brought home \$136,812.74.

On back to back days, June 4 and 5, another pair of six-figure jackpots was hit. The first winner took home exactly \$100,000, laying out \$5 on the Bally's Double Jackpots Wild \$1 machine. Then on the 5th, Betty Boop's Love Meter provided \$117,000 worth of love for a \$3 play on a Bally's penny machine.

The three mystery women wished to remain anonymous.

Since May 1, there have been 84 jackpots hit worth \$10,000 or more. So, the guys have been lucky, too.

But as for June, it has been the month for lady luck at Empire City Casino.
