## **Life-Changing Jackpot Continues to Rise!**

### **Summer Temperatures and Record Jackpot - \$1.2 Million - Continue To Percolate At Empire City Casino**

**Yonkers, New York** - The summer temperatures continue to escalate, and the record-breaking jackpot at **Empire City Casino** continues to percolate, with the life-changing potential score on the increasingly-popular **Wheel of Fortune Triple Stars** slot machine now standing at **\$1,195,124**. The jackpot hiked past the \$1 million mark for the first time two months ago (April 15), and guests continue to flock to the Westchester casino from far and wide to try their luck.

The record jackpot when hit will exceed the previous mark by more than nearly \$700,000 and counting. **Manuel Esteche** of **Port Chester** hit for **\$571,000** in February, breaking the previous record jackpot of **\$509,000** won in November 2014 by **Moosue Stefern** of **Bergenfield**, New Jersey.

**Cherie Czerniowski**, who oversees slot operations at Empire City, continues to remind players that this specific \$1 million-plus jackpot can only be hit at the Yonkers casino.

*"This is not a wide area progressive with slot machines linked between various casinos, as seen at most properties,"* said Czerniowski. *"This jackpot can only be hit here at Empire City."*
