Cocktail hour will be held from 7:00 pm – 8:00 pm, following by dinner and musical entertainment from 8:00 pm – 12:00 am.

Dr. Patrick J. Boland was born in Monasterevin, Co.Kildare, Ireland. Presently he is a full-time, senior member of the Orthopaedic Oncology Service department of Surgery at Memorial Sloan-Kettering Cancer Center, where he specializes in the surgical management of malignant and benign tumors of the bone, including those of the spine and pelvis, and soft tissue sarcomas of the extremities. He also specializes in the management of cancer of lung, breast and other organs when they spread to the bone.

Dr. Boland is involved in extensive research activities, including ongoing clinical research in sacral tumors and in the assessment of quality of life in patients with metastatic bone cancer. He has also authored and co-authored numerous chapters and scientific papers on surgery for tumors of extremities and the spine. Dr. Boland is a fellow of the American College of Surgeons; a Fellow of the Royal College of Surgeons in England, and a Fellow of the Royal College of Surgeons in Ireland.

With the generous assistance of the Irish community in New York, he has been able to help in the education of Irish Doctors by affording them the opportunity to study at Memorial Sloan Kettering Cancer Center and return to Ireland with newly acquired expertise.

We invite you to join us in honoring Dr. Patrick J. Boland, and his dedication to the fight against cancer. In conjunction with the banquet we will publish a souvenir journal, a contract for which is enclosed for your consideration. Also on the night we will hold an auction to support the Leukemia and Lymphoma Society.
