**April 29, 2016 - YONKERS, NY** - In celebration of National Hamburger Month, [Empire City Casino's](#), Dan Rooney's Sports Pub is offering three beefy burgers available throughout the month of May. The three honorary burgers include the NEW Magic Mushroom Burger, the Dan Rooney Burger and the Classic Burger.

In addition, when guests order one of the specialty burgers, they will receive a National Hamburger Month card which will get stamped. If a guest eats all three burgers in May and shows their card was stamped three times, they will receive a free Dan Rooney's t-shirt.

Executive Chef Matt Heisel's creative juices are sizzling. The new **Magic Mushroom Burger** is a twist on a mushroom and Swiss. This burger is made with a traditional eight ounce 7X ground beef patty, house-made mushroom ketchup, Swiss cheese, and house-made duxelle. Chef Heisel will be submitting this new burger for *Westchester Magazine's* upcoming Burger & Beer Blast in June. Local and visiting foodies can try it at the restaurant in advance of the contest to see where the 'Magic' happens.

**The Dan Rooney Burger** is a savory and sweet eight ounce 7X beef burger topped with brie cheese, watercress, marinated onions and homemade honey mustard on a brioche bun. **The Classic Burger** is exactly that – an eight ounce 7X beef burger topped with lettuce, tomato and raw onion on a brioche bun.

With the atmosphere and flavors of a traditional sports pub, Dan Rooney's offers delicious scratch-made pub food, and an extraordinary beer and Irish whiskey menu.

Rooney's caters to the sports enthusiast with more than 40 flat-screen televisions showing International and national sporting events.
