**WESTCHESTER'S BEST KEPT SECRET IS NO JOKE –
COMEDY NIGHT AT EMPIRE CITY CASINO**

Before hitting the Big Apple, comedic talent bring their laughs to Yonkers

Yonkers, NY – Billed as one of Westchester's hidden gems, [Empire City Casino](#) announced today its latest round-up of comedians are bringing their arsenal of jokes to Yonkers just a few miles north of the New York City border.

Occurring two Wednesdays per month in the casino's Good Time Room, Comedy Night features top tier talent who have had their own shows, appeared on the Late Night circuit, and who share their barrel of laughs across the country. Empire City Casino is usually a stop for many comedians on their way to New York City, giving the public the chance to see their favorite jokesters before they hit the Big Apple and for a better bargain too.

Visitors who register as Empire Club Members, a free process taking less than two minutes, pay just \$5 admission which includes a voucher for a free drink during the show.

"With over eight million visitors a year, Empire City Casino is one of the largest entertainment and gaming destinations in the northeast," said Taryn Duffy, director of public affairs. *"In addition to top-notch comedy, Empire City features a casino floor larger than most in Las Vegas, live entertainment, DJ's and fantastic dining options for our customers to enjoy."*

Among the round-up of headlining talent through June includes:

- Wednesday, May 25th – [Kevin Meaney](#), a long-time standup comedian who performed in "Hairspray" on Broadway for seven years.
- Wednesday, June 15th – Derek Gaines
- Wednesday, June 29th – Yannis Pappas
